

Program Feedback

This Questionnaire is designed to help David improve his materials, presentation, and overall effectiveness. Using this information David will be able to constantly update and improve his presentations making future events as successful as possible. With this in mind, please answer these questions with as much detail as possible.

Event review

Meaningful content

What basic message did you hear today that can be put to use tomorrow?

How will you use what you heard today to increase your profits or productivity, or avoid future problems?

Is there something else you would like to know about this subject that I did not have time to touch on in enough detail?

Opinions

What is your opinion of my presentation?

Do you know of others who would benefit from this material – who?
